

APPALACHIAN TRAIL MONITORING REPORT

Reports are due to your Corridor Manager on **July 1st & December 1st.**

AT Corridor Tract #'s _____ in _____ County.

The National Park Service and the Appalachian Trail Conference require monitors to submit reviews of corridor tracts twice-yearly.

Please make **TWO** copies of this form; send one to your Corridor Manager (listed to the right) and the other to the NY-NJ Trail Conference (address below).

I have walked my section of the AT corridor _____ times between _____ and _____, and have observed:
date date

- | | <i>Circle</i> |
|--|---------------|
| 1. Evidence of damage from natural causes such as insects, disease or fire? | Yes No |
| 2. Dumping of garbage or larger items such as cars or household items? | Yes No |
| 3. Evidence of logging or household wood-cutting? | Yes No |
| 4. Evidence of camping (fire-rings or wood-cutting)? | Yes No |
| 5. Building of fences or other structures? | Yes No |
| 6. Horse or wheel tracks such as ATVs? | Yes No |
| 7. Evidence of (or knowledge of) adjacent developments which could adversely affect the Trail environment? | Yes No |
| 8. Evidence of missing or damaged survey monuments (identify number and location from map segment)? | Yes No |
| 9. Evidence of faded or missing exterior corridor boundary marking (yellow blazes)? Identify location from nearest monument. | Yes No |
| 10. Replaced US Gov't. property boundary markers (plastic)? | Yes No |

If the answer to any of the above is YES, please fully describe below or on reverse (include tract #). Include follow-up actions taken and/or suggested.:
